

Leaving Tomorrow

A Place to Bury Strangers

I should respawn and I'm so fast
Passing (?) and seconds, it can go, ah-ah-ah
Lost beneath your eye, (?) that I've got
And (?), something that I should (?), ah-ah-ah

And I'm slow to go, and I'm slow to go but I'm leaving tomorrow

What if I (?), it's not (?) to come
Be careful to love and it tells (?), ah-ah-ah, it shows
(?), I can't let go to come
Waiting (?), oh, I love you so, ah-ah-ah

And I'm slow to go, and I'm slow to go but I'm leaving tomorrow

It's getting so long, we're looking through days
Don't talk to (?), memories that fade, ah-ah-ah
Got to (?), I can't (?)
(?) where I love you so, ah-ah-ah, (?)

And I'm slow to go, and I'm slow to go but I'm leaving tomorrow
