

## My Weakness

### A Place to Bury Strangers

I see you look around  
You're staring, staring out to sea  
I feel them pulling down  
You touch my hand, it all goes away  
Don't hear a single sound  
but I feel your breath in front of me  
With every kiss, I drown  
I feel my body fading to dreams  
I don't mind  
and I don't care  
and I'll do fine  
I know you're mine  
I can't believe I feel this way  
I've got the spirit inside me  
I know it can't be, can't be wrong  
I know it keeps me..  
I see you look around  
You're staring, staring out to sea  
I feel them pulling down  
You touch my hand, it all goes away  
Don't hear a single sound  
but I feel your breath in front of me  
With every kiss, I drown  
I feel my body fading to dreams  
I don't mind  
and I don't care  
and I'll do fine  
I know you're mine  
I can't believe I feel this way  
I've got the spirit inside me  
I know it can't be, can't be wrong  
I know it keeps me, keeps me strong
