

Down

A.R. Kane

Down
stay down
oh stay down
just stay down
little fingers pushing
little fingers push me over
little fingers push me
little fingers push me over
I can see the skinny trees singing
I can hear the church bells ringing
I can see the skinny trees singing
I can hear the church bells ringing
oh stay down
just stay down
oh stay down
just stay down
I'm gonna take you down
I'm gonna take you down
down
stay down
oh stay down
just stay down
down.
