Oh she loves me  
oh she loves me not  
oh she loves me  
oh she loves me not  
oh she loves me not

oh she want me  
oh she want me not  
oh she want me  
oh she want me not  
oh she want me not

release me

oh she needs me  
oh she needs me not  
oh she needs me  
oh she needs me not

release me  
release me

oh she loves me  
oh she loves me not  
oh she want me  
oh she wants me not  
oh she wants me not

release me

oh she want me  
oh she want me not  
she forget me, don't forget me  
oh forget me not  
release me....
