

## In A Circle

A.R. Kane

What else can I do?  
under hand and over my head

It might be good for you  
to me it's poison and I won't last long

You're not wrong  
it last long then goes on and on  
but we're not like that!

Dressed in tears, happy tears  
we can smile awhile  
until we wake up!
