

## Lover

A.R. Kane

You're so rare  
a unique boy  
so sad yet full of joy  
so limitless  
caress  
caressing me

you could take me home with you  
or I could take you home with me  
let me, let me  
love you too  
it's like a miracle  
a loving cure-for-all  
I feel the dust around my hollow heart  
just slip away

you're so rare  
for you I've sworn  
a rose without a thorn  
pure tenderness  
possess  
possessing me

I only ever cried for you  
when will you try to sigh for me  
let me, let me  
love you too  
my tears flow long and cool  
a fool beside a pool  
I feel beside a pool  
I feel the hurt inside my hollow heart  
just wash away
