

Away Away

A Rocket to the Moon

He takes a breath,
And she wants to leave
And he can't wait to,
Show her things that
She's never seen before.
But the weather is cold now
And she's too wrapped up in things
That can keep her warm.
Unlike him,
He's the one that would heat up
The winter's air to keep her close.

Away, Away,
They'll get away
They keep on retaking the photographs,
They will never change.
The way we kiss goodbye,
The way we hold our hands,
The way we walk along,
The way we have no plans.
This is something that I like to forget.

These numbers repeat themselves,
These phone calls have no destination,
I'm dialing just anything
To hear our voice tonight.
I'm desperate for your attention,
I'm all ears and I hear nothing.
Again.
Now the phone call is over
And I'm still wrapped up in
Things I have said before.

Away, Away,
They'll get away
They keep on retaking the photographs,
They will never change.
The way we kiss goodbye,
The way we hold our hands,
The way we walk along,
The way we have no plans.
This is something that I like to forget.

Away, away
Away, away
Away, away
Away, away

[Man:] You're not perfect sport,
And let me save you the suspense,
This girl you met,
She isn't perfect for you.
The question is whether or not
You're perfect for each other.
This sudden deal,
This is what intimacy is all about.
And you can know everything in the world sport

But the only way you're gonna find out
That one is by givin' it a shot.

Away, Away,
They'll get away
They keep on retaking the photographs,
They will never change.
The way we kiss goodbye,
The way we hold our hands,
The way we walk along,
The way we have no plans.
This is something that I like to forget

Thing's I have said before.
