

## Cops And Robbers

## A Rocket to the Moon

Do you need  
Me at night  
When you're warm  
In your bed?  
Do you see  
What went wrong  
When I look  
In your eyes?  
Now darling don't be worried  
When you're sleeping on you're own tonight.

Don't wait 'cause you'll just waste your time.  
You never listen to anything I have to say.  
'Cause now I'm believing the things that I'm lying about tonight,  
babe.  
'Cause in a heartbeat we change so fast  
And now the stars are aligning and the moon is setting  
And I will be the best damn constellation that is in your sky tonight.

Now darling, I am scared  
And there's worry in the air.  
But I'm not accusing anyone but myself.  
But there's something that I  
Gotta get off my chest.  
So here it goes.

(Do you see all these stars or do they still hurt your eyes?)
