

Forever & Always

A Rocket to the Moon

Once upon a time, I believe it was a tuesday
when I caught your eye.
We caught on to something,
I'll hold on to the night.
You looked me in the eye
and told me you loved me.
Were you just kidding?
'Cuz it seems to me this thing is breaking down,
we almost never speak, I don't feel welcome anymore.
Baby, what happened, please tell me
'cuz one second it was perfect now
your halfway out the door

And I stare at the phone,
he still hasn't called
and then you feel so alone
you can't feel nothing at all.
Flashback to when he said
forever and always.
And it raise in your bedroom,
everything is wrong.
It raise when you hear
it and raise when you're gone
'cuz I was there when you said
forever and always.

Was I outta line? Did I say something way too honest?
Made you run and hide like a scared little boy.
I looked into your eyes,
thought I knew you for a minute now I'm not so sure.
So here's to everything, coming down and nothing.
Here's to silence that cuts me to the core.
Where is this going?
Thought I knew for a minute but I don't anymore.

You didn't mean it baby,
I don't think so
ohhh ohhh

Backup baby backup did you forget everything?

And it raise in your bedroom,
everything is wrong.
It raise when you hear it
and raise when you're gone
'cuz I was there when you said
forever and always.
And I stare at the phone,
he still hasn't called
and then you feel so alone
you can't feel nothing at all.
Flashback to when you said
forever and always!

And it raise in your bedroom,
everything is wrong.
It raise when you hear it

and raise when yur gone
'cuz I was there when you said
forever and always.

You didn't mean it baby,
you said forever and always
yeah
