

Love Takes A Wrecking Ball

A Silent Film

Tell me when to let go,
I'll swing this wrecking ball
There's trouble in the basement,
I can hear it through the floor

Stay up in the attic
and dare not make a sound
Is any more sadness
might bring this whole house down

Love takes a wrecking ball,
will it take a wrecking ball tonight?
Will it take a wrecking ball
to open your eyes?
Love takes a wrecking ball,
will it take a wrecking ball tonight?

How can you stay hear?
You'll disappear in smoke
I've given you a warning,
I'm letting go the rope

Come out of the basement
and let me share your load
I am your reflection,
I do not see the joke

Love takes a wrecking ball,
will it take a wrecking ball tonight?
Will it take a wrecking ball
to open your eyes?
Love takes a wrecking ball,
will it take a wrecking ball tonight?

If we tear love down,
we'll be swinging on forever.
If we tear love down,
we'll be swinging on forever.

Love takes a wrecking ball,
takes a wrecking ball tonight
Will it take a wrecking ball
to open your eyes?

Love takes a wrecking ball,
takes a wrecking ball tonight...
