A Silent Film

Queen of  
Queen of a sad land  
shiver  
shiver through winter

kneeling  
kneeling before her  
finger  
fingering onward

Ocean, ocean currents  
Frozen, frozen borders  
Softly, softly she's spoken  
sailing, sailing forward

Queen of a sad land x2

Filter  
filter in orange  
shrouding  
shrouding the or turn

heaven  
heavenly violence  
breathe in  
breathe in the forest

Ocean, ocean currents  
Frozen, frozen borders  
softly, softly she's spoken  
send me, send me forward

Queen of a sad land x2

Ocean, ocean currents  
Frozen, frozen borders  
softly, softly she's spoken  
send me, send me homeward
