## A Skylit Drive

Save me  
The skin that's stretched across your bones  
The scent that lacks the innocence I know

Cold front coming  
Like blisters, forming  
Through your pores  
Believe me  
You'll trust me darling  
I'm the sword inside your stone

The rest of your life,  
May it rest, in my eyes  
Let me show you what it's like

The rest of your life,  
May it rest, in my eyes  
Let me show you what it's like

Meet me, at the skylines  
I'll wait for you to go  
I'll wait for you to go

Meet me, at the skylines  
I'll wait for you to go  
I'll wait for you...

Save me  
The skin that's stretched across your bones  
The scent that lacks the innocence I know

Cold front coming  
Like blisters, forming  
Through your pores  
Believe me  
You'll trust me darling  
I'm the sword inside your stone

The rest of your life,  
May it rest in my eyes  
Let me show you what it's like

The rest of your life,  
May it rest, in my eyes  
Let me show you what it's like

Meet me, at the skylines  
I'll wait for you to go  
I'll wait for you to go

Meet me, at the skylines  
I'll wait for you to go  
I'll wait for you...

Meet me at the skylines,  
I'll wait, for you  
Meet me, at the skylines

Meet me  
Meet me  
Meet me, at the skylines  
Meet me at the skylines,  
I'll wait, for you

I don't think you know,  
What these words mean  
I don't think you know  
What we could be  
But I will wait forever,  
Cause I think you're the one

I don't think you know,  
What these words mean  
I don't think you know,  
What we could be  
But I will wait forever,  
Cause I think you're the one

I don't think you know
