

# Unbreakable

## A Skylit Drive

You play the fool but you're insecure  
You twist my words and fake the lies I've heard a thousand times  
I'll breathe in the ashes but you'll never break me

So long!  
I'm sick at the thought of you

Look back!  
At all that you put me through

Now gone!  
My never forever it's all on you

Can't you see what you don't wanna believe?  
Can't you see

If loving you was so right why did it feel so wrong?

Can't you see that you are killing me?  
Let me be  
I only want to be free  
I'll make a noise so loud that across the world you'll hear it

You break the rules and I'll set the score  
You twist my nerves and take the life I earned by telling lies  
I'll breathe in the ashes but you'll never make me

Can't you see what you don't wanna believe?  
Can't you see

If loving you was so right why did it feel so wrong?

Can't you see that you are killing me?  
Let me be  
I only want to be free

I'll make a noise so loud that across the world you'll hear it  
Can't you see that you are killing me?  
Let me be  
I only want to be free  
This is who I am now  
I'll scream until you hear it

I'm sick at the thought of you  
Look back at all that you put me through

Can't you see  
Can't you see  
If everything was right why did it feel so wrong?

If loving you was so right why did it feel so wrong?

Can't you see that you are killing me?  
Let me be  
I only want to be free  
I'll make a noise so loud that across the world you'll hear it

Can't you see that you are killing me?  
Let me be  
I only want to be free  
This is who I am now  
I'll scream until you hear it
