

We are leavin' it behind now  
We've been tryin' to get this through to you  
We've been waitin' for a long time  
We've been watchin' your every move

I see your picture in the paper  
I see you smilin' on the TV  
Baby you gotta know it's for real  
And you better quit what you're doin' and look out for us

We're gonna keep on rockin' all through the night  
We're comin' out to watch the world pass us by  
And we'll be stayin' here for a while  
Coz' we'll be rockin' til' the end of time

We are miles away from nowhere  
We've been walking down this same old road again  
As the raindrops fall down on me  
Oh why can't you see  
I wanna be the one for you

I see your picture in the paper  
I see you smilin' on the TV  
Baby you gotta know it's for real  
And you better quit what you're doin' and look out for us

We're gonna keep on rockin' all through the night  
We're comin' out to watch the world pass us by  
And we'll be stayin' here for a while  
Coz' we'll be rockin' til' the end of time

If you want my heart I'll give it to you  
If you want my soul  
There's no problem to give  
cuz as long as I live  
I will always keep on rockin' for you
