

# Super Trouper

A\*teens

Super troupers beams are gonna blind me,  
but I won't feel blue, like I always do,  
'cause somewhere in the crowd there's you.

1. I was sick and tired of everything  
when I called you last night from Glasgow.  
All I do is eat and sleep and sing,  
wishing every show was the last show.  
Sun was shining I was glad to hear you're coming,  
suddenly I feel all right, and it's gonna be so different  
when I'm on the stage tonight.

R: Tonight the super Trouper lights are gonna find me,  
shining like the sun, smiling, having fun, feeling like a number one.

Tonight the super troupers beams are gonna blind me,  
but I won't feel blue,  
like I always do, 'cause somewhere in the crowd there's you.

2. Facing twenty thousand of your friends,  
how can anyone be so lonely?  
Part of a success that never ends,  
still I'm thinking about you only.  
There are moments when I think I'm going crazy,  
but it's gonna be alright, everything will be so different,  
when I'm on the stage tonight.

R: Tonight the super...

\*: So I'll be there when you arrive,  
the sight of you will prove to me I'm still alive.  
And when you take me in your arms and hold me tight,  
I know it's gonna mean so much tonight.

R: Tonight the super...

Super troupers lights are gonna find me,  
shining like the sun, smiling, having fun, feeling like a number one!
