## A Tribe Called Quest

Phife Dawg, whatagwan with the crew?  
Nuff ting, that's why me had to come through  
Phife Dawg, you spit wicked every verse  
The north said respect the Trini man first  
Phife Dawg, I know you had the man shook up  
Good shit 'cause you a mastermind that cook up  
Phife Dawg, whatagwan with the crew?  
Nuff ting, that's why me had to come through  
Phife Dawg, you spit wicked every verse  
Them north said respect Trini man first  
Phife Dawg, I know you honor wha nem choose  
Give me that  
Phife Dawg, I know you don't wanna choose  
Give me a zugu zugu and do exactly what you do  
Tribe Called Quest, you see them back with one another  
Ayo, Busta Bust, them not want no problem, brother  
Phife Dawg legend, you can call me Don Juice  
I'm the shit right now, what, you need to see proof?  
Recently on the internet they chatting  
Taking polls, debating who could win in battle rapping  
Let's make it happen, these cyber thugs already par  
No subliminals with me, you know who the f\*\*k you are  
Who wanna spar? ha ha, well, here I are  
Unorthodox spitter orbiting on the southpaw  
No doubt, I'mma set it, dudes best be ready  
Off top on the spot, no reading from your Blackberry  
Leave the iPhones home, skill sets must be shown  
I'mma show you the real meaning of the danger zone  
I got its own, eights fit to all clones

Untouchable in my zone, watch the tone, leave em alone  
f\*\*k your ass-cheek flows with bars sweeter than scones  
Put down microphone  
Yes, yes, he the wrong ones to f\*\*k with  
No matter what the day he could catch you on his plane  
Or the one you on today  
Visit niggas in their dreams, make them scream of bloody murder  
He's a Trini gladiator, ain't no need to take it further  
If you wanna take it further your huckleberry is here  
Doctor of your holiday, wire up the computers like your kids  
We gon' celebrate 'em, elevate 'em, father had to levitate 'em  
Give 'em reason, don't debate 'em, top to bottom, the way to raid 'em
