

## I Saw Her Face

### A Vain Attempt

I saw her face, I can't deny, That I fell in love with  
her  
Love Is Like Suicide

I saw her face, I can't deny, That I fell in love with  
her

And I hope you will  
cause I miss you too  
and i'll forever being yours

I saw her face, I can't deny, That I fell in love with  
her
