

## The Tale Of Two Doves

### A Whisper in the Noise

So you've heard the tale of the man  
Who went sinking deep into love  
Like a dove

I remember him  
Had his eyes open wide to life  
'Til the time the love died

He was screaming into life

So you're heard the tale of the girl  
Who went sinking deep into mud  
After love

She the black and blue  
She who never knew how to cry  
At the time her love died

She was screaming into life
