Coming back at you, record number two, what a way to start the day

Thinking big enough, with a stronger look Got no back up plan in case we blow it

It's all the same old stuff, they think it's good enough "It works" and nobody gets hurt
It happens every time, like anybody minds
They're telling me, "it's just the way it works"

Too much work to do, rocking new improved, keep it in the famil  ${\tt Y}$ 

It's not over, 'till it's over anyway
It ain't broke so fix it anyway

Got a second chance and a fresh advance, what a way to start the week

Sack the formula, there's no need to bother Got no backup plan, so let's not blow it
