

# Celebrate Our Love

A1

Believe in you heart  
No matter what the people may say  
The chance you take  
could take you to the top

Listen up-  
You know you gotta throw fear away  
Together we can make it  
Shake it up oh-oh baby

Hear the voices rock the nation  
A calling to the sky  
I can see eternity is in your eyes  
Come on everybody there's a party to go to  
There holding out for you!  
With every chance you take  
A change you make  
The start of something new

All around the world they're singing  
Calling out a new beginning  
Oh-oh-oh celebrate our love  
People with imagination  
Everywhere a celebration  
Oh-oh-oh celebrate our love  
Celebrate our love

Good to be free  
Living out our own destiny  
The beat will last forever  
Never stop

Gotta move-  
You know we gotta groove into the light  
Tonight will be the night that  
We're breaking it up  
Break it down baby yeah

Hear the voices rock the nation  
A calling to the sky  
I can see eternity is in your eyes  
Come on everybody there's a party to go to  
There holding out for you!  
With every chance you take  
A change you make  
The start of something new

All around the world they're singing  
Calling out a new beginning  
Oh-oh-oh celebrate our love  
People with imagination  
Everywhere a celebration  
Oh-oh-oh celebrate our love

Oh - oh - oh - oh - na-na-na-na-na-na  
Oh-oh-oh-oh-celebrate our love

Let the rhythm take control (take control)  
Feel the burn within your soul  
There's a magic in your eyes  
Forever we can take the  
Music through the night

All around the world they're singing  
Calling out a new beginning  
Oh-oh-oh celebrate our love  
People with imagination  
Everywhere a celebration  
Oh-oh-oh celebrate our love

All around the world they're singing  
Calling out a new beginning  
Oh-oh-oh celebrate our love  
People with imagination  
Everywhere a celebration  
Oh-oh-oh celebrate our love

All around the world they're singing  
Calling out a new beginning  
Oh-oh-oh celebrate our love  
People with imagination  
Everywhere a celebration  
Oh-oh-oh celebrate our love
