

Hey You

A1

Hey you, looking around at your friends
You see something about them has changed
And nothing's clear
They're not the same
Don't you take it too hard all the same
You'll see it works out better that way
Don't be afraid to shout your name

Do what you gotta do (hey)
The world is waiting for you (hey)
There ain't nothing to lose
Everybody today (yeah)
Everything is okay (yeah)
Come together and say

It's alright, it's alright
You don't have to stop the way you're feeling
'Cos you got time to get it right
Let your mind know where it's leading
It's alright, it's alright
It's alright, it's alright

Hey you, just be the best you can be
You'll see the best things in life come for free
Now it's all clear, no cloudy day
If you follow your heart and believe
You'll be excited by what you'll achieve
Don't be afraid to find a way

Oh, do what you gotta do (hey)
The world is waiting for you (hey)
There ain't nothing to lose
Everybody today (yeah)
If he thinks it's okay (yeah)
Come together and say

It's alright, it's alright
You don't have to stop the way you're feeling
'Cos you got time to get it right
Let your mind know where it's leading
It's alright, it's alright
It's alright, it's alright

Do what you gotta do (hey)
The world is waiting for you (hey)
There ain't nothing to lose
Everybody today (yeah)
If he thinks it's okay (yeah)
Come together and say

It's alright, it's alright
You don't have to stop the way you're feeling
'Cos you got time to get it right
Let your mind know where it's leading
It's alright, it's alright
You don't have to stop the way you're feeling
'Cos you got time to get it right

Let your mind know where it's leading
It's alright, it's alright
It's alright, it's alright
It's alright, it's alright
It's alright, it's alright
