

## Isn't It Cheap

A1

This punky club was spinning fores off a funky tee  
I'm on the floor and she's watching me  
Guess she was fine with a head to thigh inspection  
With my back against the wall I play it casually  
Man, I don't know but when she smiled at me  
And started grinding her arse on the horn of some dirty trumpet  
I had to say something

Camera shy, no style, getting it right I said I wanna take you  
home, tonight.  
And she said

Let me take you to a place I know  
Right beside the dirty little picture.  
Love me if you like, but I'm not what you need.  
And nothing comes for free. Isn't it cheap

As soon as she got me alone there was no(huh) hesitation  
And she started taking off all her clothes to Lady Paris singin  
g  
I was jacking her up all night with a lethal injection  
The way she almost put up a fight, was so close to perfection

Tired eyes, no ties, turn on the light I want to see what gets  
you hot, tonight.  
And she said

Let me take you to a place I know  
Right beside the dirty little picture.  
Love me if you like, but I'm not what you need.  
And nothing comes for free. Isn't it cheap

isn't it cheap, when I'm down on my knees.  
Talking sweet just to meet your demands. See your  
delight as your stealing my night  
Just to play it straight in to my hands

Let me take you to a place I know  
Right beside the dirty little picture.  
Love me if you like, but I'm not what you need.  
And nothing comes for free. Isn't it cheap
