

Summertime of our Lives

A1

Summertime of our lives
Summertime of our lives, our lives

Hey girl the feeling is right
You've gotta get out in the sunlight

(Sunlight)

Hot sand holding your hand
You keep me jammin' in the morning
'til the moonlight

We'll have the time of our lives
In our wonderworld
Time of our lives
There's a boy for every girl come one
Summertime of our lives our lives (2x)

Cool breeze kissin' the sea
I've got a sunbeam shining on me

(on me)

Blue skies sea in your eyes
Let the groove move my people
All around me

We'll have the time of our lives
In our wonderworld
Time of our lives
There's a boy for every girl come one
Summertime of our lives our lives (2x)

Summertime summertime
Sugar candy cherry world
Summertime summertime
There's a boy for every girl
Summertime summertime
Sugar candy cherry world
Summertime summertime

Summertime summertime (4x)

We'll have the time of our lives
In our wonderworld
Time of our lives come one
Summertime of our lives our lives (come on) (2x)

Baby get ready get down
Are you up for it get down with it
Baby get ready get down
Are you up for it get down with it
(come one)
