

## At Your Best

Aaliyah

Let me know, let me know  
Ah - ha, let me know, let me know  
Let me know

When I feel what I feel  
Sometimes it's hard to tell you so  
You may not be in the mood to learn what you think you know

There are times when I find  
You want to keep yourself from me  
When I don't have the strength; I'm just a mirror of what I see

But at your best you are love  
You're a positive motivating force within my life  
Should you ever feel the need to wonder why  
Let me know, let me know...

When you feel what you feel  
Oh, how hard for me to understand  
So many things have taken place before this love affair began

But if you feel, oh, like I feel  
Confusion can give way to doubt  
For there are times when I fall short of what I say,  
what I say I'm all about, all about

But at your best you are love  
You're a positive motivating force within my life  
Should you ever feel the need to wonder why  
Let me know, let me know...

Tell me what it is (Tell me what it is)  
There's no need to make believe  
Look beyond your own (Look beyond your own)  
Try and find another place for me  
Cause. . .

But at your best you are love  
You're a positive motivating force within my life  
Should you ever feel the need to wonder why  
Let me know, let me know...

Ah, ah, ah - ha  
See stay at your best baby
