

Extra Smooth

Aaliyah

So, So
He got big brown eyes, so he built nice
(Ooh)
Coming on strong, six pack showin'
(Ohh)
He's too cool, for his own shoes
(Ooh)
Nothing rude, but way too short for me

He tryin to be
Extra smooth, extra smooth
(Ohh)
Extra cool, extra cute
(Ahhhhhhh)
If i'm supposed to talk to you,
Be your boo
(Be your boo, be your boo)
Don't come trying to be extra smooth

So, So, So
He got line for line wasting my time
(Ooh)
Running round, tryin to catch my eye (eye, eye, eye)
(Eye)
Disturbing my groove, tryin' to be smooth
(Ohh)
Get the boot

Boy you can go ahead
And work on yourself another quick romance
A little too hot for me
You act like you've already got the number

I wish you'd quit tryin' to be
Extra smooth, extra smooth
(Heey)
Extra cool, extra cute
(Cute)
If i'm supposed to talk to you
Be your boo
(Be Your Boo, Ohh)
Don't come trying to be
Tryin' to be extra, extra, extra smooth

(See he wanna be, See he wanna be smooth)
Extra, extra, extra cool
(See he trying to be, See he trying to be cool)
I won't talk to you
Won't be your boo
(Talk to you, Won't be your boo)
Extra, extra, extra
Tryin' to be extra, extra, extra smooth (emmm hmmm)

Tryin' to be extra, extra, extra smooth
(See he wanna be, See he wanna be smooth)
Extra, extra, extra cool
(See he trying to be, See he trying to be cool)

I won't talk to you
Won't be your boo
(Talk to you, Won't be your boo)
Extra, extra, extra
Tryin' to be extra, extra, extra smooth Tryin' to be extra, extra, extra smooth
(See he wanna be, See he wanna be smooth)
Extra, extra, extra cool
(See he trying to be, See he trying to be cool)
I won't talk to you
Won't be your boo
(Talk to you, Won't be your boo)
Extra, extra, extra
Tryin' to be extra, extra, extra smooth
