It's been a long time
We shouldn't have left you
Without a dope beat to step to
Step to, step to, step to
Step to, step to
Freaky-freaky
It's been a long time
We shouldn't have left you
Without a dope beat to step to
Step to, step to, step to
Step to, step to
Freaky-freaky, baby girl uh

What would you do? To get to me What would you say? To have your way Would you give up? Or try again If I hesitated To let you in Now would you be yourself Or play your role Tell all the boys Now would you be yourself If I saw no Would you turn away? Or play me off Or would you stay, oh, oh

And if at first you don't succeed
Then dust yourself off and try again
You can dust it off and try again, try again
Cause if at first you don't succeed
You can dust it off and try again
Dust yourself off and try again, try again (and again)

I'm in to you You into me But I can't let it go So easily Not till I see Whether this could be Could be eternally Or just a week Ay yo our chemistry Is off the chain It's perfect now But will it change? This ain't a yes This ain't a no Just do your thing We'll see how it go, oh, oh

And if at first you don't succeed
Then dust yourself off and try again
You can dust it off and try again, try again

Cause if at first you don't succeed

You can dust it off and try again

Dust yourself off and try again, try again (and again)

See you don't wanna throw it all away I might be shy on the first date What about the next date? Huh? Huh? Huh? Huh? I said you don't wanna throw it all away

I might be buggin' on the first date What about the next date? Huh? Huh? Huh? Huh?

And if at first you don't succeed
Then dust yourself off and try again
You can dust it off and try again, try again
Cause if at first you don't succeed
You can dust it off and try again
Dust yourself off and try again, try again (and again)

And if at first you don't succeed
Then dust yourself off and try again
You can dust it off and try again, try again
Cause if at first you don't succeed
You can dust it off and try again
Dust yourself off and try again, try again (and again)

If at first you don't succeed
You can dust it off and try again
Dust yourself off and try again, try again
Cause if at first you don't succeed
You can dust it off and try again
You can dust it off and try again, try again (and again)
