Young nation under a groove  
Keeping it smooth with a jazz that's so cool  
Young nation under a groove keeping it smooth

As I'm strollin' down the park with really nothing on my mind  
Laid back and I'm just thinkin' of old times  
Pumpin' our Isley Brothers tape when I'm waxin'  
Peepin' through my sapeau checkin' out my waxin'  
Hey! I gotta say today's a good day for me the lover on the way  
Ho! Time to hit the six-four  
And pump the bass and I'm Just a little known  
Aaliyah's in the house so I think you'd better check my flow  
Hello! Hello!

I check my celular because my beepers beepin'  
Booty calls are creepin'  
Fellas on the corner beepin' me (Wassup, wassup)  
Don't set it off  
So I pick up my girls and hit the streets just because...  
Jazz-aray, it's Saturday and...  
The sun is blazin', and so I'm lazain'  
And if you are a YNP and you're rollin' with the PGP, congratulations  
I know I got the skills to make you trip  
R Kelly's flippin' tracks so grab a hold and don't you sit  
The nigga diggin nation that's a sooner gets my grip  
So raise your hands if you're sure...  
Are you a young nation?
