

# Can We Go Back

Aaradhna

Remember the days when we used to chill  
We didn't have a care in the world  
We used to laugh together  
Blaze it up and walk 'round the creek

Reminiscing on the time  
When we used to skip class together  
I could never forget ooooh  
Never forget my good friends

Can we go back? I wanna go back  
Take me back to the day when we used to play  
Can we go back? I wanna go back  
Take me back to the day when we used to play

He-e-ey. Oooh.  
Take me back, take me back oh yeah  
Yeah Oh!

Summertime, weather was hot as hell  
I swear it ain't hot like it used to be  
Back then the music was fire  
Why did I had to go leave and retire?

Reminiscing on the time  
When things were much better way back then  
I could never forget uh  
Never forget the time spent oh oh

Can we go back? I wanna go back  
Just for a moment, a moment back in time  
Can we go back? I wanna go back  
Take me  
Can we go back? I wanna go back  
When we were so young and our hearts would run free  
Can we go back? I wanna go back

I heard it's foolish to say  
That things were better back in the day  
But I swear it ain't the same  
You know that I gotta roll with the change

But can we go back?  
Just one time  
You and I  
Can we go back?

Can we go back? I wanna go back  
Take me back just one time  
Can we go back? I wanna go back  
Can we?  
Can we go back? I wanna go back  
When we were so young oh oh oh  
Can we go back? I wanna go back  
Can weeeee?
