

# Devil's Living In My Shadow

Aaradhna

Devil's living in my shadow  
Watches me every night  
Don't know if there's something wrong with me  
My better judge was clouded in my mind  
Lord love me please  
It won't let go of me

He stopped following me  
I don't want to hear your whispering  
In my ear no more  
Just tryna live my life  
The way that my mother always wanted me to

But I don't know what's right  
Don't know what's wrong  
These are the signs that have been here too long

Devil's living in my shadow  
It watches me every night  
Don't know if there's something wrong with me  
My better judge was clouded in my mind

Lord help me please  
It won't let go of me  
He stopped following me  
I don't want to hear your whispering  
In my ear no more  
Just tryna live my life  
The way that my mother always wanted me to

But I don't know what's right  
Don't know what's wrong  
These are the signs that it's been here too long

Devil's living in my shadow  
Watches me every night  
Don't know if there's something wrong with me  
My better judge was clouded in my mind

Help me  
Help me  
Help me

He just keeps tapping on my phone line  
And it just won't go away  
He just keeps tapping on my phone line  
And it just won't go away

Just keeps tapping on my phone line  
And it just won't go away  
Just keeps tapping on my phone line  
And it just won't go away

Just keeps tapping on my phone line  
And it just won't go away
