

# I'm Never

Aaradhna

Close my eyes  
Everytime you hold me tight  
Don't let go, no  
Just hold me close  
It feels so good, things that you do  
Boy I am..so in love with you  
And I wanna let you know that  
I'm never, I'm never

I'm never gonna say goodbye  
I'm never gonna leave your side  
I'm never, no baby you're with me  
I'm never  
I'm never

When you're not 'round  
I can't go on, I feel so down (whoa)  
Lose control  
Hurts my soul  
It feels so good the things that you do  
That's why I am so in love with you  
And I wanna let you know that  
I'm never  
I'm never

I'm never gonna say goodbye  
I'm never gonna leave your side  
I'm never, no baby you're with me  
I'm never  
I'm never  
(ooh yeah)  
(oh oh oh oh whoa-oh whoa-oh)

Because you put me first no other man has put me first before  
Because you cared for me no other man has cared like this before  
Because you treat me right no other man could ever treat me like you  
do  
Everything you do feels good that's why I'm gon' keep lovin' you (you  
)  
Loving you  
Gon' keep lovin' you

I'm never gonna say goodbye (baby)  
I'm (I won't) never (I won't let go) gonna leave your side  
I'm never, no baby (you're with me yeah) you're with me  
I'm never  
I'm never
