

Miss Lovely

Aaradhna

She's ambitious
Man, and she's vicious
Really beautiful
I never thought in my life I would never do it again
But now I do

She had a mission
She had a vision
To be with my man
I could swear that I could see the twinkle in her eyes
She had a plan

Hey Miss Lovely
Hey Miss Lovely
You'd better look the other way
Cause I'll take that pretty smile
And I'll turn that pretty smile into a frown

He's so faithful
I'm so grateful he belongs to me
She's tried so many times
But in the end she always finds it
Hard, too much all over me

I'm losing patience
She will be facing
Me very soon
If she don't stop
Somebody better call the cops
Cause I'll go swinging

Hey Miss Lovely
Hey Miss Lovely
You'd better look the other way
Cause I'll take that pretty smile
And I'll turn that pretty smile into a frown

She's the one playing with her hair
Walking 'round like she don't care
She's the one that sprinkles all the trouble in the air
She's the type that likes to mess around with other ladies' guys
That's Miss Lovely
She's Miss Lovely

Hey Miss Lovely
Hey Miss Lovely
You'd better look the other
Cause I'll take that pretty smile
And I'll turn that pretty smile into a frown

Hey Miss Lovely
Hey Miss Lovely
You'd better look the other way
Cause I'll take that pretty smile
And I'll turn that pretty smile into a frown

Hey Miss Lovely

Hey Miss Lovely
Look the other way
I'll take that pretty smile
And I'll turn that pretty smile into a frown

Hey Miss Lovely
Hey Miss Lovely
Look the other way
I'll take that pretty smile
And turn that pretty smile
I'll take that pretty smile
And turn that pretty smile
I'll take that pretty smile
And turn that pretty smile into a frown
Miss Lovely
