

# Please Say You Do

Aaradhna

Memories, in my head  
I just cant stop thinkin  
About you  
Your not here with me  
Darlin I don't know what to do  
Never thought that this could ever be

Oh I feel that I'm in love with you  
Please don't tell me  
You don't feel the same  
Say you do  
Cos I cant take it  
The essence of you  
Drives me crazy  
I need you next to me  
Please say you do (please say you do)  
Please say you do (please say you do)  
Please say you do....  
Please...say you do

Ooh  
Every hour (Ooh)  
All the time  
I seem to look at a picture  
Of you  
I know its been awhile  
Maybe you got a lady right now  
But I gotta let you know  
How I feel...

Oh I feel that I'm in love with you  
Please don't tell me  
You don't feel the same  
Say you do  
Cos I cant take it  
The essence of you  
Drives me crazy  
I need you next to me  
Please say you do (please say you do)  
Please say you do (please say you do)  
Please say you do....  
Please...say you do

I...Can't...Breathe without you  
(I cant, no, no, I cant No, no)  
I cant sleep without you  
By my side  
Come back to me  
Come back to me  
Come Back To Me

Please say you do  
Please say you do  
Please say you do....  
Please...say you do....

Hmmmm.....
