

Armed Soldiers

Aaron Carter

The skies are clouded, the roads are flooded
I'm losing the stars that guide my way
You had that tied to my name, tell the gods from my game
I'm becoming a man on my own

Don't you ever let it get in your way
Tonight, yeah
Don't you ever let it get in your way
Tonight, yeah

L-l-look into my eyes
I'm not gonna die, I'm gonna survive
Coz this is for you, and this is for me
So never give up in what you believe
Hear all soldiers
(See them standing strong in storms)
Hear all soldiers, hear all soldiers
(See them standing strong in storms)
Hear all soldiers, yeah

Now I'm out the trenches, no I'm not offended
Defending the pain that I've been through
Seen the blood in my veins, now I'm out of the rain
Now that I'm clean, the skies are blue

Don't you ever let it get in your way
Tonight, yeah
Don't you ever let it get in your way
Tonight, yeah

L-l-look into my eyes
I'm not gonna die, I'm gonna survive
Coz this is for you, and this is for me
So never give up in what you believe
Hear all soldiers
(See them standing strong in storms)
Hear all soldiers, hear all soldiers
(See them standing strong in storms)
Hear all soldiers, yeah

Now I'm round and mended, unified, contended
So become the best of what we do
Knock me down, take a sound
Come to faith, no doubt
You can get through with the battle wounds

Don't you ever let it get in your way
Tonight, yeah
Don't you ever let it get in your way
Tonight, yeah

L-l-look into my eyes
I'm not gonna die, I'm gonna survive
Coz this is for you, and this is for me
So never give up in what you believe
Hear all soldiers
(See them standing strong in storms)

Hear all soldiers, hear all soldiers
(See them standing strong in storms)
Hear all soldiers, yeah

L-l-look into my eyes, yeah
L-l-look into my eyes, yeah
L-l-look into my eyes, yeah
L-l-look into my eyes, yeah
L-l-look into my eyes, yeah
L-l-look into my eyes, yeah
L-l-look into my eyes, yeah
L-l-look into my eyes, yeah
