

Dance With Me

Aaron Carter

I know you wanna dance with a star
Flo Rida.. Aaron Carter baby hey!!!
I know you wanna dance with a star
Turn the lights down baby yeah we going hard
Party all night lil mama, thats my job
Steal the show girl like somebody got robbed
You do your thing, I'm the life of the club
Watching my swing, are you down to adjust
Swerve in my lane girl I wont make it tough
I like your friend let me show you whats up hey!!!
Hold on the function get liver
You ready for the heat, I'm bringing that fire
Move to the beat, get down with Flo Rida
You could join in cause the shine is much brighter

Turn the lights down
Nice and low
Everybody movin
Tonight on the floor
Lets party right now
Ill let ya know
You got my body burnin baby outta control

I could be your favorite
Tell me whats your sign girl
Perfect picture painted
Number one on mine girl
You got me oh oh oh oh oh

I like the way you do your thing, baby
U like my swing
And I know u wanna dance with me
Theyll remember who you are
Cause youre dancing with a star
And I know you wanna dance with me

Cause youre dancing with a star
Promise I could take you higher
Cause youre dancing with a star
We gon set this night on fire

You got me heated
When were dancin close
Girl, I know it sounds conceited
Im the one you need most
I know you need it need it
Show them who we are
Everybodys watching like were superstars

Tell me whats your flava
Do you like mine girl
Im intoxicated
Without the wine girl
You got me oh oh oh oh oh

I like the way you do your thing, baby
U like my swing

And I know u wanna dance with me
They'll remember who you are
Cause youre dancing with a star
And I know you wanna dance with me

Cause youre dancing with a star
Promise I could take you higher
Cause youre dancing with a star
We gon set this night on fire

We gon set this night on fire
Come and dance with a star
Ready for the heat I'm bringin that fire
We gon set this night on fire
Come and dance with a star
Ready for the heat I'm bringin that fire
You got me oh oh oh oh oh
You got me oh oh oh oh oh
Come and dance with a star

I like the way you do your thing, baby
U like my swing
And I know u wanna dance with me
Theyll remember who you are
Cause youre dancing with a star
And I know you wanna dance with me

Cause youre dancing with a star
Promise I could take you higher
Cause youre dancing with a star
We gon set this night on fire
We gon set this night on fire
Cause youre dancing with a star
Promise I could take you higher
Cause youre dancing with a star
We gon set this night on fire
