

I'd Do Anything

Aaron Carter

I'd do anything for you
We've had our good times and bad
Baby what is sad
I miss you girl
Oh yes I do
Now that you're gone ...away
It's hard for me to say
I miss you girl
Oh yes I do
I just want you to know
That the love I have is real
But girl I really want to show you how I feel
I'd do anything
To be with you again
Just name the place
And I will be there, I will be there
Oh tell me why can't I
Have the one I love
Just like the way it used to be
I miss you all of the time
When you were mine
I miss the way it seemed so right
How could I let the girl I love
Slip right through my hands
I can't get you off my mind
I just want to make you happy
I want to make you understand
I need you for my girlfriend
Until the very end
Oh I miss holding hands and playing games
I get chills when I hear your name 'cuz I know
It'll never be the same
I'd do anything
Just to be with you
I'll tell you that I love you
If you want me to
Just call my name
And I'll be there
To let you know how much I care
Oh... baby...
