

# Leave It Up To Me

Aaron Carter

It's the kids, baby  
It's the kids, baby  
It's the kids, come on  
It's the kids, baby  
It's the kids, baby  
And ya know we're gonna groove  
It's the kids, baby  
It's the kids, baby  
It's the kids, come on  
It's the kids, baby

Leave it up, leave it up to me

Listen to the kids  
Grown up, sewn up  
Even when they mess up  
Actin' like it's all sewn up  
Mom and dad think we  
Need to have a talk  
Think the kids rule the world  
Boys and girls

You can't blame us for notta  
You taught us, to follow orders  
Cuz I'm the baby, dun gotta  
Monkey see (ah ah)  
Monkey do no more  
The fun stops here  
What's the score  
We might start a play fight  
Just to imitate you  
Donchya feel silly now  
Shame on you  
Don't start to cry now  
I don't blame you  
Afterall your just a grown-up  
Whachya gonna do

It's the kids. Even I  
Gotta heat it up, heat it up  
What's the deal. Doncha know I  
Gotta give it up, give it up  
Make way, put it on  
Gotta hook it up, hook it up  
How's that  
Leave it up, leave it up to me

It's the kids  
What would ya do if I  
Speed it up, speed it up  
Set it off  
Gonna live it up, live it up  
Make way, put it on  
Gonna hook it up, hook it up  
How's that  
Leave it up, leave it up to me

When the grown-ups go awol  
Who ya gonna call  
Here come the young ones  
The baby crime busters  
Big people, listen up  
Relax now we're equal  
And if the money's right  
Then we might make a sequal  
Do I hear a "please"?  
I love it when you beg me  
I need a bribe now  
Just to move my legs, see  
And I might fit you in  
If you make way

(Lemme talk to my people we can save the day)

It's the kids. Even I  
Gotta heat it up, heat it up  
What's the deal. Doncha know I  
Gotta give it up, give it up  
Make way, put it on  
Gotta hook it up, hook it up  
How's that  
Leave it up, leave it up to me

It's the kids  
What would ya do if I  
Speed it up, speed it up  
Set it off  
Gonna live it up, live it up  
Make way, put it on  
Gonna hook it up, hook it up  
How's that  
Leave it up, leave it up to me

(Now whatchya gonna do)

Mom and dad, they be  
Gettin' on my nerves  
Workin' em, workin' em  
Is that what I deserve  
But after many days  
Hey, I want them back  
Tell me who's gonna bake  
My cake and all that  
Who's gonna suffer from  
My practical jokes  
And answer when I'm moving  
Hey, it's gotta be my folks  
And who's gonna get me up  
Ready for the flight  
And who's gonna tell me  
"Everything's alright"

But wait a minute  
That sounds so soft  
That won't impress a  
Hot chicka that I cross  
Don't play me out cuz  
I'll switch ya off  
You've been told old for too long  
Singin' the same song

If you're old enough to vote  
Then it's time to sit down  
It's all about the little hommies  
Takin' the crown  
So if you're too young to vote  
Here's your chance to have a say  
Come on everybody  
Help me save the day

It's the kids. Even I  
Gotta heat it up, heat it up  
What's the deal. Doncha know I  
Gotta give it up, give it up  
Make way, put it on  
Gotta hook it up, hook it up  
How's that  
Leave it up, leave it up to me

It's the kids  
What would ya do if I  
Speed it up, speed it up  
Set it off  
Gonna live it up, live it up  
Make way, put it on  
Gonna hook it up, hook it up  
How's that  
Leave it up, leave it up to me

It's the kids. Even I  
Gotta heat it up, heat it up  
What's the deal. Doncha know I  
Gotta give it up, give it up  
Make way, put it on  
Gotta hook it up, hook it up  
How's that  
Leave it up, leave it up to me

It's the kids  
What would ya do if I  
Speed it up, speed it up  
Set it off  
Gonna live it up, live it up  
Make way, put it on  
Gonna hook it up, hook it up  
How's that

Leave it up, leave it up to me
