One For The Summer

Aaron Carter

(La la la la la) (La la la la la) Hazy, crazy Everyone is lazy I wanna show the world how this could be amazing Drinking lemonade with the sun looking down me It's summertime and it's like the sea We're checking around, got the sun-top down The radio blearing at the best summer sound In the palm of my hand, I got the sun, the sea And the summer vibrations got a hold on me One for the summertime Everyone's got that summer vibe and One for the summertime 'Cause it make's ya feel so good Yeah, one for the summertime Gonna party on all through the night Just like everybody should One for the summer Yeah, one for summer We're livin' it up real good, oh yeah (Check it out, yeah) One for the summer Yeah, one for the summer You gotta pump up your radio Let's go, let's go Come on (La la la la la) (Come on) (La la la la la) Here we go! Hit this space, we're gonna cruise control We're the world's eighth wonder and we're doing it all Just checking out the crowd, I am precise and I It' summertime, and were cool as ice We're checking around, gonna hit the town 'Cause the party don't stop when the sun goes down Flip flop, wanna see ya bop 'Cause it's one for the summer And it just won't stop One for the summertime Everyone's got that summer vibe and One for the summertime 'Cause it make's ya feel so good Yeah, one for the summertime Gonna party on all through the night Just like everybody should One for the summer

Yeah, one for summer

We're livin' it up real good, oh yeah (Check it out, yeah) One for the summer Yeah, one for the summer You gotta pump up your radio Let's go, let's go Come on Take a cruise, school don't start back soon It's summertime (Summertime!) And it don't stop there, we can go anywhere It's summertime (Summertime!) Take the moon 'cause it's there for you It's summertime (Come on!) You gotta pump up your radio Let's go, let's go Come on! (La la la la la) (Come on) (La la la la la) Come on, come on Yeah, one for the summer Yeah, one for the summer One for the summer Gimme one for summer We're livin' it up real good, oh yeah (Check it out, yeah) One for the summer Gimme one for the summer You gotta pump up your radio Let's go, let's go Come on Gimme one for the summer (Give it up for the summertime) (Come on) Gimme one for the summer (Summertime!) (Come on) Gimme one for the summer (Give it up for the summertime) You gotta pump up your radio Let's go, let's go Come on Gimme one for the summer (Give it up for the summertime) (Come on) Gimme one for the summer (Summertime!) (Come on) Gimme one for the summer (Give it up for the summertime) You gotta pump up your radio...
