

Earnestly I Seek Thee

Aaron Gillespie

In life's troubles, sorrow's pain
Earnestly I seek Thee
Fill my soul with peace again
Earnestly I seek Thee

None but You, and You alone
Take my life, make it Your own
In my off'ring, build Your home
Earnestly I seek Thee

In life's trial of victories
Earnestly I seek Thee
In the shadow of the Almighty
Earnestly I seek Thee

None but You, and You alone
Take my life, make it Your own
In my off'ring, build Your home
Earnestly I seek Thee

I sing to You, because You're good
And Your love is bigger than life
I will live to bring You praise
I will bless You always

Who am I that You would care?
Earnestly I seek Thee
All my days, my nights, You're there
Earnestly I seek Thee

None but You, and You alone
Take my life, make it Your own
In my off'ring, build Your home
Earnestly I seek Thee
Earnestly I seek Thee

None but You, and You alone
Take my life, make it Your own
In my off'ring, build Your home
Earnestly I seek Thee
