

We Were Made For You

Aaron Gillespie

We come to be with You, come and bring You
Our attention, our affection
We're here to be with You, here to bring You
All of our praise, here in this place
Deep inside our hearts, we wanna scream it out

You are God, You are God
We were made for You, just for You
You are God, You are God,
We will live for You,
In everything we do, You are God

God of creation, You came from Heaven,
You became a man, bringing hope again
You laid Your life down, took all of our sin
Nailed it to the cross, where You paid it all,
Now we bow our hearts, and stand in awe

You are God, You are God
We were made for You, just for You
You are God, You are God,
We will live for You,
In everything we do...

There is no one like You, You are the only truth
In a world that's so confused, There is no one like You
There is no one like You, You are the only truth
In a world that's so confused, There is no one like You

You are God, yes, You're God
We were made for You, just for You
You are God, You are God,
We will live for You,
In everything we do...

You are God, You are God
We were made for You, just for You
You are God, You are God,
We will live for You,
In everything we do, You are God
