

# It Broke Off

Aaron Lines

When I was a kid I had it made in the shade  
Couple girlfriends and a Chevrolet  
Oh how I long for those days  
When all I needed was a couple of bucks  
Just enough to put some gas in my truck  
Buy a six pack of beer and get a weird haircut

Well I used to have a handle on life  
But it broke off  
Well I used to have it all figured out  
But now I'm lost  
It used to be clear to me  
Now everything looks so blurry  
I used to have a handle on life  
But it broke off

Well I grew up so they say  
Got a real job and and IRA  
A mortgage on this house  
I can barely pay  
A blackberry and a cellphone  
I spend more time at work  
Then I do at home  
Somebody please tell me where I went wrong

Well I used to have a handle on life  
But it broke off  
Well I used to have it all figured out  
But now I'm lost  
It used to be clear to me  
Now everything looks so blurry  
I used to have a handle on life  
But it broke off

I know nothing stays the same  
But I feel like I'm dancing  
Way too close to the flame

Well I used to have a handle on life  
But it broke off  
Well I used to have it all figured out  
But now I'm lost  
It used to be clear to me  
Now everything looks so blurry  
I used to have a handle on life  
But it broke off

Yeah I used to have a handle on life  
But it broke off
