

# It Takes A Man

Aaron Lines

She locked her fingers  
Bowed her head  
She said I'm late  
And I'm really scared  
You can go  
But I hope you stay  
I'm gonna keep it  
Either way  
In my daddy's El Camino  
In her driveway in the rain  
Staring through the windshield  
I can see my future change  
And my heart hit like a hammer  
And my thoughts were running wild  
Any fool can make a baby  
It takes a man to raise a child

Laid my head  
Down on the wheel  
She said I know, I know  
It don't seem real  
She closed her eyes  
But the tears broke though  
She said don't hate me  
For loving you

In my daddy's El Camino  
In her driveway in the rain  
Staring through the windshield  
I can see my future change  
And my heart hit like a hammer  
And my thoughts were running wild  
Any fool can make a baby  
It takes a man to raise a child

I could not reassure her  
Couldn't say what I had planned  
Couldn't put three words together  
So I just took her hand

In my daddy's El Camino  
In her driveway in the rain  
Staring through the windshield  
I can see my future change  
And my heart hit like a hammer  
And my thoughts were running wild  
Any fool can make a baby  
It takes a man to raise a child
