

## Don't Go, Please Stay

Aaron Neville

Don't go, please stay  
Don't go, please stay

If I got on my knees and pleaded with you  
Not to go, but to stay in my heart  
Would you walk out the door  
Like you did once before  
But this time be different and please stay  
Don't go, please stay  
Don't go

If I call out your name like a prayer  
Would you leave me alone with my tears  
Knowing I, I need you so  
Would you still turn and go  
But this time be different in some way  
Don't go, please stay  
Don't go, please stay

You took me away from the rest of the world  
When you taught me to love you like this  
Now I hang by a thread in the canyon of doom  
But I still can be saved by your kiss

If I call out your name like a prayer  
Would you leave me alone with my tears  
Knowing I, I need you so  
Would you still turn and go  
But this time be different and please stay  
Don't go, please stay  
Don't go, please stay  
Don't go, please stay
