Don't go, please stay Don't go, please stay

If I got on my knees and pleaded with you Not to go, but to stay in my heart Would you walk out the door Like you did once before But this time be different and please stay Don't go, please stay Don't go

If I call out your name like a prayer Would you leave me alone with my tears Knowing I, I need you so Would you still turn and go But this time be different in some way Don't go, please stay Don't go, please stay

You took me away from the rest of the world When you taught me to love you like this Now I hang by a thread in the canyon of doom But I still can be saved by your kiss

If I call out your name like a prayer
Would you leave me alone with my tears
Knowing I, I need you so
Would you still turn and go
But this time be different and please stay
Don't go, please stay
Don't go, please stay
Don't go, please stay
