## **Even If My Heart Would Break**

**Aaron Neville** 

I've been around this world I've been a lot of places Seen a million faces in a thousand times But when I looked into your eyes I knew I found heaven And I've been wanting to tell you I never want to let you go

It may be winter in Eden But what I'm feeling is summer in my heart Is it too familiar to say I love you Would you be suspicious if I asked your name, tell me What would it take to really convince you That I'm gonna love you, even if my heart would break

Seen a better day I can feel it coming I can hear it coming in the winter night Cause you turned this man into a true believer When you left your traces on that moonlit night

It may be winter in Eden But when I'm with you, with you, it's summer in my heart Is it too familiar to say I love you Would you be suspicious if I asked your name, tell me What would it take to really convince you That I'm gonna love you even if my heart would break

It may be winter in Eden But when I'm with you, with you, it's always summer in my heart So let the mountains tumble, tumble to the sea Let the rivers overflow, it won't bother me Let the stars go out tonight, 'cause I can see them in your eye s I'm gonna love you even if my heart would break

Is it too familiar to say I love you Would you be suspicious if I asked your name, tell me What would it take to really convince you That I'm gonna love you even if my heart would break Even if my heart would break, I'm gonna love you Even if my heart would break, I'm gonna love you Let the stars go out tonight 'cause I can see them in your eyes And I'm gonna love you, even if my heart would break
