

# I Bid You Goodnight

Aaron Neville

Lay down my dear Brother, lay down and take your rest  
I want to lay your head upon your Savior's breast  
I love you, but Jesus loves you best  
I bid you goodnight, goodnight, goodnight  
I bid you goodnight, goodnight, goodnight

Lay down my dear Brother, lay down and take your rest  
I want to lay your head upon your Savior's breast  
I love you, but Jesus loves you best  
I bid you goodnight, goodnight, goodnight  
I bid you goodnight, goodnight, goodnight

One of these mornings bright and early and soon, goodnight  
Now they're pickin' up the spirit to the shore beyond, goodnight  
t

Go walking in the valley of the shadow of death, goodnight  
His rod and his staff, gonna comfort me, goodnight  
Join the wise, there's a soul to find, goodnight  
Lord send a fire, not a flood next time, goodnight  
To leave for the ark, that wonderful boat, goodnight  
She really loaded down, getting water to float, goodnight  
Now pray for the beast at the ending of the world, goodnight  
He'll eat all the children that would not be good, goodnight  
I remember right well, I remember right well, goodnight  
I went walking to Jerusalem just like John  
Goodnight, goodnight, goodnight

Lay down my dear brother, lay down and take your rest  
I want to lay your head upon your Saviors breast  
I love you, but Jesus loves you best  
I bid you goodnight, goodnight, goodnight  
I bid you goodnight, goodnight, goodnight
