## I Shall Be Released

## **Aaron Neville**

They say everything can be replaced They say every distance is not near So I remember every face Of every man who put me here

I see my light come shinin'
From the west down to the east
Any day now, any day now
I shall be released

They say every man needs protection They say that every man must fall Yet I swear I see my reflection Somewhere so high above this wall

I see my light come shinin'
From the west down to the east
Any day now, any day now
I shall be released

Now yonder stands a man in this lonely crowd A man who swears he's not to blame And all day long I hear him shouting so loud Just crying out that he was framed

I see my light come shinin'
From the west down to the east
Any day now, any day now
I shall be released
