

Show Me The Way

Aaron Neville

I can hear the bells are ringing
I can hear the angels singing
My darling has left me
Whoa, somebody please help me
Cause I need someone
To show me the way

Whoa, I can hear the people say
As I kneel and start to pray
His darling has left him
Whoa I want to tell you,
Somebody, somebody, help him
Cause he needs someone
To show him the way, whoa

For at night when I think of you dear
At all times, all through the day
Why don't you come on,
Come on, come on darling
Cause I need a someone
To show, show me the way

But how can I hear the bells ringing
Whoa I want to tell you that I can hear,
That I can hear the angels singing
My darling has left me,
Whoa I want to get somebody, somebody help me
Cause I need someone
To show me the way

Show me the way
