

# Stand By Me

Aaron Neville

When the night has come and the land, it is dark  
And the moon is the only light that we see  
No, I won't be afraid, no, I won't be afraid  
Just as long, just as long as you stand, stand by me

If the sky, we look upon should tumble and fall  
And the mountains should crumble into the sea  
I won't cry, I won't cry, no, and I won't shed a tear  
Just as long, just as long as you stand, stand by me

So darlin', darlin', stand, stand by me  
Oh, stand by me, oh, my darlin', please stand by me

If the sky, we look upon should tumble and fall  
And the mountains should crumble into the sea  
I won't cry, I won't cry, no, I won't shed a tear  
Just as long, just as long as you stand, stand by me

So darlin', darlin', stand, stand by me  
Oh, stand by me, oh, please stand by me  
Whenever I'm in trouble won't you stand, stand by me?  
Oh, stand by me, oh darlin', please stand by me
