## Somethin' Bout A Train

## **Aaron Pritchett**

We're all just sittin' around, pickin' away All the boys in the band are itchin' to play So we gonna write a song we kinda need a name Let's call this one...

Somethin' bout a train

I wanna hear drums laying down the beat Damn that's sweet I said somethin' bout a train

Well, now there we go, don't that sound good? If you can't play I bet you wish you could These guys wanna go around again So come on boys let's play

Somethin' bout a train
