

## Ever After

Aaron Shust

I hate to be the one to break the news  
to let you down but I can't lie to you  
there's things about the world I wish weren't true  
I guess by now you must have had a clue  
It seems you're growing up fast  
I tried to push back would you believe me if I told you

There's no such thing as Peter Pan  
No such place as never never land  
wish we could all have those tiny magic wings  
We live in a world with wars its not like it was before  
we won't find a happy ever after here  
there's no such thing

I've dreaded this talk for so long  
..I knew someday you'd wonder what went wrong  
We get to be the story of it all  
for the glory of it all  
so we move along  
This is not where it ends  
it's just where it begins  
would you believe me if I told you...

There's no such thing as Peter Pan  
No such place as never never land  
wish we could all have those tiny magic wings  
We live in a world with wars its not like it was before  
we won't find a happy ever after here

It's not where we belong  
if it's feeling wrong  
oh you must stay strong  
cause it was here  
that I first saw your face  
every night I prayed  
that you'd believe the same

There's no such thing as Peter Pan  
No such place as never never land  
wish we could all have those tiny magic wings  
We live in a world with wars its not like it was before  
we won't find a happy ever after here

there's no such thing  
there's no such thing

I hate to be the one to break the news  
to let you down but I can't lie to you
